ZAMBEZI CHEETAH

- all our products are named after a place, river or mountain, somewhere in the world
- our vases are mouth-blown and this collection changes monthly
- great service is our top priority
- our world revolves around our highly valued customers, you! That's why we are always there for you; in our showroom, on telephone or by e-mail
- our jute pots were originally lamps, but we have had it transformed with the help of a special frame into a cool planter
- Vase The World designs a lot of pots itself and has them produced exactly to our wishes and highest standards
- the cheetah vase is currently our most sold product
- we can supply pots in any desired RAL color
- we launch our new webshop at the beginning of 2020. Where you can easily find the entire collection, as well as the real time up to date stock and prices and easily place your order online
- a very large stock is available for you
- our products are set to a very high standard of quality inspection
- our prices are very competitive
- we have agents in Switzerland, Germany and Austria
- we have a stand at the DEKOMESSEZENTRUM in Grabfeld-Germany
- we would love to welcome you at Maison & Objet in Paris
- you can always consult us for (atmospheric) images for your own webshop
