

NEW COLLECTION

ABOUT VTW

Vase The World, 'a world of exclusive pottery, vases & home accessories', is known for its collection of high-quality glass-ware and indoor/outdoor pots. These products are carefully collected from all over the world, for the whole world.

Our vases are mouth-blown and partly made from recycled glass. This makes the vases sustainable, innovative and environmentally conscious.

At **Milou van Schaik Martinet** discovered her passion for realistic drawing and painting of people, animals and nature at a young age. Her love for flowers and painting come together in her painted vases.

These high quality mouth blown vases come in limited editions, each with a unique number and signed certificate. Vase The World is the authorized distributor of the special hand-painted vases by artist Milou van Schaik Martinet.

Curious about the entire collection or interested in your own design? We are happy to help you!
