

COLLECTION 2026

Welcome to our world

FROM A WORLD TRIP TO VASE THE WORLD

In 2008, during a world trip by founders Ronald & Angelique, the inspiration for the first collection of Vase The World was born. Captivated by the beauty of the many different products they encountered, they decided to start with exclusive pottery. Immediately upon returning home, they ordered the first container. It arrived in the Netherlands in early 2009, marking the beginning of sales. This was the true start of our company and the beginning of a journey that continues to this day!

OUR COMPANY

Now, 18 years later, we have permanently settled in Aalsmeer, where we operate from our office, 2000m² warehouse, and 400m² showroom and Cash & Carry. Our fantastic team of 10 people handle the day-to-day operations here, always prioritizing the customer and delivering the highest level of service. Thanks to this approach, we have grown into a successful wholesaler with a loyal customer base that continues to expand both nationally and internationally.

OUR COLLECTION

To keep our collection fresh and ever-expanding, we continue to travel the world regularly. The result? A diverse and extensive collection of beautiful handmade products, each with its own unique twist and exclusive look. Over the years, we have specialized in three main product groups. In 2016, we expanded our exclusive pottery collection with a unique range of mouth-blown glassware, which has since become our most important product category and significantly boosted our brand recognition.

In 2022, we added luxury, handcrafted home accessories to our offering of pottery and vases. Many of these items are designed in-house. While we are still growing and developing, this catalogue already showcases our "Bestsellers."

OUR GOAL

With the same enthusiasm that drove Ronald & Angelique to start Vase The World in 2008, our goal remains unchanged: to collect the most beautiful products from around the world to enhance everyone's home and garden. We look forward to continuing our successful collaboration with you or welcoming you as a new customer. We're here to help you select the ideal collection for your business or to discuss your personal needs.

Finally, we hope you enjoy browsing the Vase The World catalogue, featuring over 70 pages of product inspiration!

Vase The World, 'a world of exclusive pottery, vases & home accessories'

VAN WERELDREIS TOT VASE THE WORLD

In 2008 ontstond het idee voor de eerste collectie van Vase The World tijdens de wereldreis van oprichters Ronald en Angelique. Geïnspireerd door de vele verschillende producten die ze onderweg zagen, besloten ze direct na thuiskomst de eerste container exclusieve potten in te kopen. Deze werd begin 2009 geleverd, waarna de verkoop van start ging. Dit markeerde de officiële oprichting van ons bedrijf en het begin van een reis die tot op de dag van vandaag voortduurt!

ONS BEDRIJF

Nu, 18 jaar later, hebben we ons gevestigd in Aalsmeer. Vanuit ons kantoor, 2000m² magazijn, 400m² showroom en Cash & Carry beheren we de bedrijfsvoering. Ons fantastische team van inmiddels 10 medewerkers staan dagelijks klaar om jou te helpen. Zij begrijpen als geen ander dat de klant centraal staat bij Vase The World en streven ernaar je het hoogste serviceniveau te bieden. Dankzij deze benadering zijn we uitgegroeid tot een succesvolle groothandel met een trouw klantenbestand, dat elk jaar verder groeit, zowel nationaal als internationaal.

ONZE COLLECTIE

Om onze collectie voortdurend te vernieuwen en uit te breiden, reizen we nog steeds regelmatig de wereld rond. Het resultaat is een gevarieerde en brede collectie van prachtige handgemaakte producten, elk met een unieke twist en exclusieve uitstraling.

Door de jaren heen hebben we ons gespecialiseerd in drie verschillende productgroepen. In 2016 breidden we onze collectie exclusieve potten uit met een unieke serie mondgeblazen glas. Dit is inmiddels de belangrijkste productgroep binnen Vase The World en heeft bijgedragen aan onze groeiende naamsbekendheid.

In 2022 breidden we ons assortiment verder uit met luxe, handgemaakte woonaccessoires, waarvan een groot deel in eigen huis is ontworpen. Hoewel we nog volop bezig zijn met onze ontwikkeling, biedt deze catalogus alvast een overzicht van onze populairste producten.

ONS DOEL

Met hetzelfde enthousiasme waarmee Vase The World in 2008 werd opgericht door Ronald en Angelique, blijft ons doel onveranderd: de mooiste producten van over de hele wereld verzamelen om het beste uit ieders huis en tuin te halen. We staan klaar om samen met jou de ideale collectie voor jouw bedrijf samen te stellen of je persoonlijke wensen te bespreken. We kijken ernaar uit om de samenwerking voort te zetten of je als nieuwe klant te verwelkomen.

Tot slot wensen we je veel plezier met het bladeren door deze Vase The World productcatalogus, met meer dan 70 pagina's vol productinspiratie!
